IEC 309 High Performance Range

The **High Performance** IEC 309 HP Range comprises over 600 codes including trailing plugs and sockets, and flush mount sockets, from 16-125 amp, IP ratings range from **IP44 to IP69**

Available with **SCREW** or **SCREWLESS** wiring terminal:

Screw Terminal (H)

Mantle Terminal
for 63/125A versions (H)

Fast Wiring, Screwless
Terminal (FH)

Mantle terminals
(63A-125A)
for improved
reliability and
anti-vibration

High Ingress
Protection,
Up to **IP69**

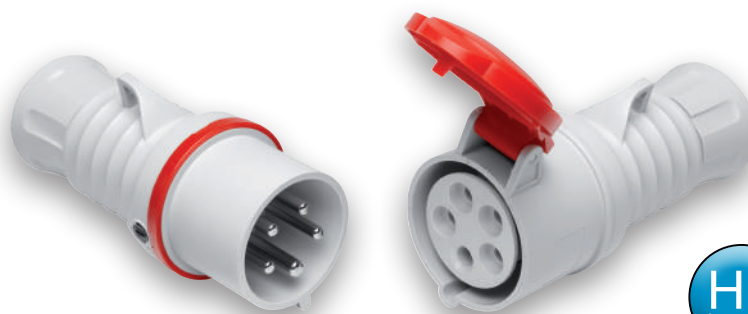

New ergonomic
design for greater
handling comfort
(63 & 125A)

Colour coded
terminals

IEC 309 HP High Performance

The future of connections

Captive glands
on both IP44
and IP67 versions

Nickel plated
contacts:
Better
connection,
less oxidation

Easy, one hand
opening

High resistance
to mechanical
stress, even at
low temperatures
